AT THE WESTLAKE VILLAGE Inn

services provided by remedy massage therapists:

remedy swedish 50 minutes – $110 | 80 minutes – $165
This therapy uses long, flowing strokes with light to moderate pressure to reduce stress and tension, alleviate pain, and improve circulation, and stimulate the nervous system. Your therapist will customize the therapy and give extra attention to specific problem areas. Your body and mind will appreciate the soothing, yet therapeutic, treatment.

aromatherapy 50 minutes – $125 | 80 minutes – $185
This ancient treatment uses aromatic oils and plant extracts to bring your mind and body to a new state of relaxation and clarity. The power of scent working in synergy with soothing massage strokes will leave you feeling relaxed, yet energized.

deep-tissue 50 minutes – $125 | 80 minutes – $195
Need something more? This exceptional massage uses advanced therapeutic techniques to target the deeper layers of muscles. This therapy will decrease muscle tightness, loosen adhesions and nodules, increase flexibility and improve muscle circulation.

maternity 50 minutes – $125 | 80 minutes – $185
It's no secret, pregnancy is tough on your body! This treatment combines massage techniques adapted to the specific needs of the pre or postnatal mother. Careful positioning and cushions are used for optimum comfort and safety. This therapy is great for relief from the aches, pains, and stresses of pregnancy and childbirth.

express escape 25 minutes – $75
In a hurry? This treatment is all business. The therapist uses Swedish techniques to relieve tension in the head, neck, shoulders and upper back. This treatment can be customized to address specific areas. Please consult with your therapist.
