BELOVED SCRUB

How do you say love without champagne and roses? You don't!! That's why we have created the perfect experience for you. The pampering begins with a 30-minute aromatic champagne and rose body scrub to polish and prepare your skin for the deeply moisturizing treatment to come. After the scrub, you rinse all your cares away in your private outdoor shower (or in your room with warm towels). Our highly skilled therapist will provide a 50-minute full body massage with an intensely hydrating champagne and rose body cream that will leave you relaxed and "in the mood for love."

80 minutes - \$300

CHAMPAGNE AND ROSES FACIAL

Our Naturopathica anti-aging facial has been designed to restore skin firmness and suppleness while reducing the appearance of fine lines and wrinkles. Aromatherapy oils are combined with a deep exfoliation for a smooth radiant complexion. While the Egyptian Rose Hydro jelly mask moisturizes and hydrates your skin, your scalp will be pampered with a relaxing massage. This facial illuminates your skin revealing a subtle glow.
