Focused on reducing stress and resetting the nervous system, our new balancing ritual combines vibrational healing tuning forks, sound therapy, and aromatherapy.

A Swedish-style full-body massage with nourishing magnesium body butter, combined with inhalations of Clary sage, peppermint, and lavender, will lower your cortisol levels. At the same time, a warm compress creates a soothing cocoon.

Breathe deeply into your heart space with a gentle mist of Organic Bulgarian rosewater and tune into your emotionally balanced center. Recommended for menopausal symptoms and for guests who desire an elevated healing journey.

EXCLUSIVE FACE AND BODY TREATMENTS

CRANBERRY BLISS

Cranberries aren't just for Thanksgiving! They are powerful antioxidants that can be used on your skin or part of a healthy diet. Your bliss starts with a full body scrub using a Cranberry sea salt polish blended with Essential Oils to stimulate circulation and slough away dull skin. Your scrub is rinsed away by warm water cascading over your body in your private outdoor shower. Then, your therapist will welcome you back to your room where you will receive a full-body Swedish Massage using a sumptuous Cranberry Butter Cream. You will leave feeling relaxed and ready to trim the turkey.

GOLDEN HARVEST FACIAL

Immerse yourself in a luxurious ritual designed to restore clarity, balance, and radiance. A warm, golden turmeric mousse gently exfoliates, unveiling silky, luminous skin. The journey continues with a Snow Mushroom and Reishi masque, renowned for their age-defying properties, to refine, de-puff, and deeply detoxify. A soothing massage, with calming woodsy aromas, melts away tension while replenishing vital hydration. To complete this indulgence, a cooling Cryo-Roller massage sculpts, tones, and awakens your complexion, leaving you refreshed, radiant, and revitalized.
