## EXCLUSIVE FACE AND BODY TREATMENTS

### RESET RITUAL

Now that the holidays are over, it's time to take care of yourself. If stress, sweets, and alcohol have left you feeling depleted, we have the perfect ritual to detoxify your circulatory system and help you embrace the new year with energy and calm. We start your pampering with a light dry brush to exfoliate winter skin and stimulate blood flow. Next, Himalayan Salt and Essential Oils are applied to the spine, neck, and lymph points to release congestion and toxins while you enjoy a relaxing scalp and foot treatment. In the final phase of your "reset" journey, you will receive a 50-minute full-body massage with Sunflower Seed Oil, Rosemary, Sage, Ylang Ylang, Cinnamon, and Thyme. The hydrating massage will complete the detoxification ritual, leaving you recharged and ready to take on whatever comes your way.

**80 minutes - \$285**

### REFRESH AND REVIVE FACIAL

Immerse yourself in a luxurious ritual designed to restore clarity, balance, and radiance. A warm, golden turmeric mousse gently exfoliates, unveiling silky, luminous skin. The journey continues with a Snow Mushroom and Reishi Masque, renowned for their age-defying properties, to refine, de-puff, and deeply detoxify. A soothing massage with calming woodsy aromas melts away tension while replenishing vital hydration. To complete this indulgence, a cooling Cryo Roller massage sculpts, tones, and awakens your complexion, leaving you refreshed, radiant, and revitalized.

### BELOVED SCRUB AND MASSAGE

How do you say “love” without champagne and roses? You don’t! That’s why we have created the perfect experience for you. The pampering begins with a 30-minute aromatic champagne-and-rose body scrub to polish and prepare your skin for the deeply moisturizing treatment to follow. After the scrub, rinse your cares away in your private outdoor shower before returning to your room for the final stage of your relaxation. Our expert therapist will treat you to a 50-minute full-body massage with an intensely hydrating champagne-and-rose body cream, leaving you deeply relaxed and “in the mood for love”.

### CHAMPAGNE AND ROSE FACIAL

Revitalize your complexion this February with our indulgent seasonal facial, designed to restore luminosity and vitality to winter-worn skin. The experience begins with a gentle yet effective exfoliation to sweep away dullness and reveal a smoother, more radiant surface. A soothing facial massage featuring fresh, chilled grapes follows, helping to tone, brighten, and awaken the skin. The treatment concludes with an ultra-hydrating Collagen Gel Mask enriched with vitamins, Hyaluronic Acid, Rose Extract, and Gold to deeply nourish, soften the appearance of fine lines, and enhance overall glow.
