Your experience begins with a vitamin-rich Barbados cherry enzyme that gently warms the skin while brightening and visibly tightening the complexion. Next, a soothing Gua Sha facial massage encourages lymphatic drainage to reduce puffiness and boost circulation. To continue the pampering, a luxurious rose-petal mask, abundant in Vitamin C, deeply hydrates the skin while delivering powerful antioxidant protection to support a luminous complexion. Your treatment concludes with a calming scalp ritual, where essential oils and botanical extracts are gently massaged into the scalp with your own keepsake sandalwood massage comb. EXCLUSIVE FACE AND BODY TREATMENTS

## SUMMER RADIANCE FACIAL

Refresh and illuminate your skin for summer with this rejuvenating, glow-boosting facial. This treatment combines gentle exfoliation with advanced micro-current technology to awaken dull skin and enhance natural radiance. Your esthetician begins with a warm turmeric mousse to softly exfoliate, boost circulation, and revive tired, lackluster skin—perfect for achieving that fresh summer glow. Next, a targeted micro-current therapy helps tone facial muscles and refine contours, leaving the skin looking naturally lifted and sculpted. The experience is completed with a luxurious Collagen Gel Mask infused with vitamins, hyaluronic acid, rose extract, and gold to deeply hydrate, smooth fine lines, and restore a dewy, luminous finish. You'll leave with skin that looks radiant, refreshed, firmer, and beautifully summer-ready.

50 minutes - \$225

## BLACK PEARL AND SEA GRAPE SCRUB AND MASSAGE

Unveil radiant, luminous skin with our cold-pressed coconut sugar scrub, infused with rare black pearl extract and wild-harvested sea grapes. This indulgent scrub gently exfoliates, leaving your skin soft and smooth. The scrub is rinsed away in your private outdoor shower surrounded by tropical foliage. When the therapist welcomes you back to your room, you will receive a full-body Swedish Massage using a hydrating hyaluronic body butter infused with extracts of black pearl and sea grapes. You will leave feeling deeply hydrated, smooth, and beautifully luminous.

Includes a glass of rosé poolside.

80 minutes - \$285
